JULY 2022: Green Waste Cart = Organics Cart

CURBSIDE COLLECTION SERVICE CHANGES ARE ON THE WAY FOR 2022!

COMING SOON! Senate Bill 1383 (2016) requires California residents to separate food scraps and food-soiled paper from their garbage to reduce organic waste from going to landfills. This means, July 2022, all organics (food scraps, food-soiled paper, and green waste) will go in the same cart for weekly collection.

SPRING 2022
