- 2:45 p.m. I. **Welcome and Roll Call**  
*Joshua Pack, Butte County, Chair*
- 2:50 p.m. II. **Capital Improvement Program – Best Practices**  
In today's dynamic and evolving landscape, effective capital project planning and delivery are essential to ensure the efficient allocation of resources and the successful implementation of critical infrastructure projects. This session will explore the multifaceted capital project planning and delivery process, exploring leading agencies' strategies and best practices. Through the insights of experienced professionals, participants will understand how various peer agencies program projects, engage with elected leaders and engaged stakeholders, generate interest during the bidding process, and streamline and optimize different aspects of construction project management.
- 4:00 p.m. III. **Positivity – Sharing Wins in the Public Works Environment**  
Let's take a moment to recognize and celebrate the achievements of our members. Share your recent "wins" and success stories, whether you've overcome a significant challenge, achieved a project milestone, or implemented an innovative solution to a common or complex problem. By highlighting our accomplishments, we can foster a positive and supportive environment within the organization.
- 4:15 p.m. IV. **Closing Comments and Adjournment**
