# 2024 Legislation Update

# 2024 Legislation Update

## Public Works

### ○ AB 1957 (Wilson) Best Value Contracting

- Allow all counties to use the best value contracting method.

CSAC Position: Support

**STATUS: Chaptered**

### ○ AB 1890 (Patterson) Public works: prevailing wage

- County's approving public works contract would need to report to DIR within 30 day if:
  - A change of contractor or sub-contractor
  - Change orders in excess of \$10,000

CSAC Position: Oppose Unless Amended

**Status: Vetoed**

### AB 2182 (Haney) Public Works

Amongst a variety of provisions, would have required contractors on public works projects to begin paying the new wage to laborers 10 days after the DIR issues the wage order.

CSAC Position: None

**Status: Vetoed**

# 2024 Legislation Update

## Development Fees

- **SB 937 (Wiener) Development projects: fees and charges.**

- Makes substantial changes to county ability to collect development fees

*CSAC Position: Oppose Unless Amended*

**Status: Chaptered**

- **AB 1820 (Schiavo) Counties must provide estimate on request**

- Requires counties to provide estimate of development fee to project proponent.

*CSAC Position: Neutral*

**Status: Chaptered**

## Advanced Clean Fleets

- AB 173: Budget Trailer Bill: Signed
- AB 2266: Held in Asm Transportation
- SB 1387: Held in Asm. Transportation
- SB 1393: Held in Sen. Environmental Quality
